## HOW THE PROCESS WORKS

- STEP 1** This Community Meeting is the first step in the process and is required by the City of Victoria.
- STEP 2** Applicant and Land Use Committee Chair agree on meeting date, time and location. Chair to review and initial this notice.
- STEP 3** The City of Victoria mails out this Community Meeting Notice to the neighbours (owners and occupiers) approximately two weeks prior to the meeting.
- STEP 4** The applicant will consider the feedback received at the Community Meeting and may revise the application before formally submitting it to the City.
- STEP 5** The applicant submits their rezoning application to the City.
- STEP 6** The application is then reviewed by City staff and presented to Council at a Committee Meeting. At this point Council will decide to either decline, refer or advance the application for consideration at a public hearing.
- STEP 7** If the application advances to a public hearing, the public is invited to speak at the hearing. After the hearing, Council usually makes their decision to support or decline the application.
