## **Welcome**

Welcome to the Fairfield Gonzales Community Association (FGCA) Out-of-School Care (OSC) program. The FGCA is a charitable society that is governed by a board of directors. Our mission is to enhance the quality of life in Fairfield Gonzales by involving community members in identifying and acting on the needs of the area residents. Our vision is to foster an active, innovative, inclusive and connected community. We look forward to creating positive and lasting relationships with you and your child(ren). If you have any additional questions or concerns regarding the contents of this handbook, please contact the Child Care Coordinator or your onsite manager.

## **Executive Team's Note**

On behalf of the Board of Directors and OSC management, we warmly welcome your family to our Out-of-School Care program. We look forward to building healthy relationships, building strong community and creating happy memories.

## **Fairfield Gonzales Community Association Out-of-School Care Philosophy**

Our OSC programs are play-based and child-focused in nature. Our staff view children as capable individuals with their own ideas, cultural beliefs, interests and abilities and strive to provide a safe environment physically, intellectually, mentally and emotionally. The FGCA believes that children grow, play and learn, as well as explore and construct knowledge about the world around them through peer and play based experiences. While recognizing family diversity and structure, our program encourages the development of positive relationships as well as respectful communication between children, staff and families.

## **Fairfield Gonzales Community Association Code of Conduct**

As an association dedicated to enhancing the quality of life in the Fairfield and Gonzales area, we have developed a code of conduct by which we hope to foster positive relations among all. It is understood that all board members, staff, volunteers, participants and users adhere to the following to guide all behaviour and activities related to the FGCA:

- We will interact with respect, courtesy, objectivity and inclusiveness
- We will work towards the good of all community members and not for personal benefit
- We will promote collaboration, cooperation and partnership with each other and with other groups
- We will promote health, wellness and safety for the entire community

## **Our Staff**

FGCA OSC employees possess a range of skills and educational backgrounds. All childcare employees must meet specific FGCA and VIHA (Vancouver Island Health Authority) licensing standards including but not limited to: 20 hours of accredited childcare training, standard first aid/CPR C, a criminal record check clearance and three work-related references.

More information regarding the Child Care Licensing Regulations can be found at:

**Program Expectations**

- Your child must be able to toilet independently.

- We embrace outdoor learning, rain and shine, and expect that children are sent with weather appropriate clothing. Rain pants, boots and warm clothes in the fall and sunscreen in the spring/summer.

### **Outdoor active play**

Unless extreme weather is a factor, we go outside every day so please dress your child appropriately for all kinds of weather. We will be outside for a minimum of 60 minutes per day. If outdoor play is not an option, indoor active play will take place for the same duration of time.

Items required throughout the year: rain and winter coat with a hood, rain and winter boots, (muddy buddies are optional but a good idea), hat and gloves.

Our OSC program offers activities that encourage the physical development of children which encourage the development of large and small muscle skills appropriate to each child's level of development. Activities include, but are not limited to:

- Field games
- Organized group games
- Self-directed active games
- Playground play
- Independent play

### **Care Plan**

If your child requires extra support, or has special medical or behavioural needs, a care plan outlining instructions for specialized care must be created. This will be created by the caregiver, parent and possibly outside resources and will be updated yearly. Your manager may request a care plan and will guide you through the creation of a care plan.

### **Screen Use**

- Unless there is an identified need, electronics from home are not permitted in program.
- On occasion, the programs will gather together to watch a movie. Movies are limited to a maximum of one every three months.

### **Food and Drink**

We promote healthy eating and nutritional habits. Each day we provide a healthy afternoon snack in conjunction with Canada's Food Guide. If your child has specific nutritional requirements, please inform FGCA management and please send extra food in your child's lunch kit to meet their need. If a child has specific nutritional requirements, we will ensure that all staff at the site understands and complies with these requirements. Safe drinking water is available for all children at all times and we encourage them to drink as much as they would like.

**Sunscreen Policy**

FGCA OSC and camp staff will supervise and provide direction for the application of sunscreen. The FGCA is not able to supply sunscreen; therefore, families must provide their child with a labelled bottle of sunscreen. We ask that if your child has allergies to sunscreen to provide a reasonable safety plan to ensure that your child will not be at risk of sunburn or sunstroke.

**Communication**

Along with the room leaders, you will be primarily communicating with your onsite manager (see contact list below). Managers are responsible for the programming and registration for their respective programs. For seasonal camps (spring and summer) and Pro-D days your onsite manager will be the Child Care Coordinator.

We assume that you have received and read our e-mail unless it bounces back as undeliverable. If this occurs we will notify you by phone

Phone numbers for calling in absences can be found within your programs' contact information. In the event that a child does not arrive to program by **3:00pm**, and we have not been notified of an absence, missing child protocols will be followed (see above). At that point, a non-notified absence charge will be applied to your account.

### **Late Pick-up**

If you are late, after 6:00pm on regular OSC days or after 5:30 pm on Pro-D/Camp days and we have not heard from you, we will take the following steps:

### **Late Pick-Up Penalty Procedure**

Verbal or written notification will be given by the onsite manager who will follow-up with you regarding payment. This fee covers the wage of two employees who are required to remain after their working shift to supervise your child. If you chose to pay by cheque or cash, we require the payment prior to your child(ren) attending their next scheduled program day.

### **Guidance and Discipline Policy**

The FGCA will ensure that behavioural guidance is age-appropriate, applies logical consequences and will take into consideration the cultural and individual needs of the child. The FGCA views children as individuals deserving of respect. Our staff support and encourage children to express their feelings, make positive choices and work towards solving their own problems. Our guidance policy is based on the below:

1. Role Modeling
2. Discipline is based on safety, respect and cooperation.
3. A child is not allowed to hurt themselves or others.
4. Children will be given clear, simple and consistent limits regarding appropriate behaviour.
5. Choices will be offered whenever possible
6. Verbal direction and re-direction will be the main means of guidance and discipline.

If it is necessary for the child to have time away from the group, the child will be supervised. Under no circumstances will physical, emotional or verbal punishments be used. The FGCA does not tolerate inappropriate behaviour such as, but not limited to: rude and disrespectful behaviour towards staff,

offensive and coarse language, bullying behaviour, verbal and physical aggression or abuse, emotional abuse, malicious behaviour, teasing, cliques, peer pressure, physical discrimination, inappropriate discussion and touching, sexual abuse, theft, unauthorized absence or departure from program, disrespect of others' belongings and FGCA property. Religious, racist or socio-economic discrimination will not be permitted.

### **Behaviour Management**

If a child is having difficulty co-operating in a program the following steps will be taken:

1. Encourage the child to make a positive choice.
2. Using age appropriate language to explain the importance of appropriate behaviour and redirect the child
3. If child is still non-compliant, offer the choice to (a) follow the expectation or (b) have time away until child is ready to problem solve.
4. If undesirable behaviour continues, the manager and leaders will discuss and problem solve with the child.
5. If manager deems necessary, a phone call to parent/guardian will be made. The parent/guardian may be asked to pick-up the child immediately.
6. A meeting with manager will be scheduled to discuss concerns and solutions.
7. If the above steps are unsuccessful, a meeting with the Child Care Coordinator or Co-Executive Director will be scheduled and a care plan will be discussed.

All of our staff members are trained to document notable behaviour. The FGCA reserves the right to inform parents that alternate childcare arrangements will need to be made if we feel our safety and behaviour expectations are not being met.

### **Discharge**

The FGCA reserves the right to discharge based on:

- Inability of the child or family to follow FGCA expectations and policies
- Inability of the child or family to adhere to the FGCA's Code of Conduct
- Inability of the program to meet the needs of the child or family
- Refusal to meet with management and failure to communicate regarding the care of your child
- Three late payments, non-payments or NSF cheques
- Three late pick-ups
- Three non-notified absences

In the event that an issue arises, a mandatory meeting will be set with the onsite manager and either the Child Care Coordinator or Co-Executive Director. All written warnings will go on file.

In the case that your child is discharged from the program we will provide a pro-rated reimbursement.

### **Conflict Resolution**

At the FGCA we aim to be positive and welcoming to ideas, taking time for people with open listening and being a sounding board. The FGCA believes that a successful program intrinsically relies on the cooperation

and cohesiveness of children, their families, staff, the community and various integral outside resources. Our mission is to create a positive space from a basis of supporting families and community.

In the event of a conflict, the FGCA takes a problem solving and family-centered approach. We value open communication, mediation, and encourage parents to discuss any concerns regarding their child(ren) and their child(ren)'s experience in our programs. Managers have an open door policy and will address a parent's/guardian's concerns in a respectful environment. Whenever possible please make an appointment with the onsite manager to assist in discussing the matter in a timely fashion.

In the event that an issue is unresolved between the manager and parent please make an appointment with the Child Care Coordinator. If a resolution is not achieved, please bring the matter to one of the Co-Executive Directors. If, after meeting all of the above, concerns remain, parents may contact the Board of Directors.

## **Health and Safety**

### **Out-trip Protocol**

We follow these out-trip procedures when taking part in activities offsite:

- The FGCA will ensure that parents have reasonable access to their child at all times.
- Out trip information will be available in your program space, in monthly calendars (in the program binder and posted in the room) as well as sent via email prior to your child's out trip.
- We will endeavor to return to the program space between 5:00pm and 5:30pm.

If you wish to pick your child(ren) up from the out-trip location, or on route, please speak to a manager in advance to arrange pick-up from the out-trip location. If your child is unable or unwilling to attend the out-trip please make arrangements for alternate care. Additionally, please send your child prepared for the out-trip with appropriate attire and food.

### **Injury and accident procedures**

- Should your child sustain an injury that requires medical attention, we will contact you immediately. If we are unable to reach you, we will call the emergency contact person for direction.
- All injuries are documented. Minor injuries such as bumps, bruises, small scrapes or surface cuts will be tended to by staff, documented and brought to the parent's attention at pick-up time.
- Injuries requiring medical attention will be reported to the parent, Manager, Co-Executive Director (Kristina Wilcox) and VIHA licensing.
- If the injury requires immediate medical care we will call 9-1-1.

### **Outside**

We carry first aid kits with us at all times, as well as the attendance sheet and the child's emergency forms. It is very important for parents to keep the emergency forms and their registration papers up to date throughout the school year. For additional safety, our playground

areas are checked daily by staff as well as inspected monthly by our facility staff and routinely inspected by our Licensing Officer as part of their program review.

### **Emergency Situations**

The FGCA staff are trained to follow the FGCA Emergency Procedures. Procedures are posted in program spaces. Programs are equipped with cell phones and staff will may every attempt to contact parents during/after an emergency.

### **Emergency Closure and Weather Closures**

In the event of an emergency (including but not limited to: unforeseen weather, lack of human resources, natural disasters, health emergencies, power failure, renovations or teachers strike), the FGCA will close. If emergency closure is necessary during operating hours we will attempt to contact you by phone to promptly pick up your child. There will be no refunds issued for emergency closures. In the event of a closure lasting more than two weeks, fee credits will be calculated and applied to your next invoice. Should the region be experiencing dangerous weather conditions, and SD61 closes, the FGCA will also close. Follow the steps below to obtain the most up to date information:

- Check the SD61 website at <http://sd61.bc.ca>.
- Check the FGCA website at [www.fairfieldcommunity.ca](http://www.fairfieldcommunity.ca).
- Call your onsite manager (refer to numbers provided at the beginning of manual).
- Check your e-mail as your onsite manager will endeavor to provide written notification.

### **Authorized Pick-up**

Children may only be released to persons named on the child's registration and emergency form. Authorized pick-up contacts must be responsible adults who are of the legal age of 19. If the staff do not recognize an individual picking up a child, they will ask for photo ID. Three emergency contacts/authorized pick-ups are required on the registration form; however, if you wish to have more than three authorized pick-up persons please complete the '*additional contacts*' form.

### **Authorizing additional pick-ups**

If you wish to have an individual who is not listed on your registration package pick up your child, we require advanced **written** authorization by either completing '*additional contacts*' form, by sending an email or leaving a note with the manager. Pick-up contacts must be responsible adults who are of the legal age 19. If a staff member does not recognize a pick-up person they will ask for photo ID.

- If you wish to have more than three permanent pick-up persons please complete an '*additional contacts*' form. Forms are available through your onsite manager.

### **Release of Care**

Parents must sign their child(ren) in (camps days and before school care only) and out of program, with the correct time and their initials in pen. Staff members are not permitted to release children for play-dates or special extra-curricular after school activities without prior authorization. Your child(ren) may never sign

themselves out, walk home or leave the premises without being signed out by a responsible adult from the pick-up list. The FGCA does not facilitate play-dates for children. All play-dates must be prearranged offsite and prior to 2:30pm.

### **Alleged Impaired Pick-up**

The FGCA will take reasonable steps to prevent suspected impaired persons from gaining access to a child. If a staff member believes the child to be at risk, they will offer to call a taxi, relative or friend to pick up the person and child. As required by law, the FGCA staff may call MCFD and/or the police in the event that a child is taken off premises by an allegedly impaired person.

### **Custody**

We require all legal documentation regarding custody. The FGCA is a neutral body and cannot withhold a child from a parent and will not intervene in custody issues. In the case that we have a copy of a custody order that is not being abided by we will contact all concerned parties. This may include phoning the police and/or MCFD.

### **FGCA Custody Arrangement Document**

We require written paperwork indicating the agreement plan outlined by separated or split families. Both parents/guardians are required to fill out the documentation and paperwork to ensure that information is shared. If you have **joint custody** of your child(ren), payments, pick-up persons and penalty fees will be the responsibility of the first person listed on the registration form. Split payment arrangements must be identified on the registration form. It is the responsibility of all parties involved to create financial arrangements. The FGCA will not mediate nor create split payment arrangements. It is important to note that in the event that notice is given to withdraw your child(ren) from program, we require confirmation from all legal guardians.

If you have **sole custody** of your child(ren) we expect payments, pick up persons and penalty fees to be your sole responsibility. In the event that your child is unable to attend program due to your account being in arrears, we will notify both guardians.

### **Alleged Child Abuse**

We are **required by law** to call the Ministry of Children and Family Development (MCFD) if we suspect any form of child abuse or if a child discloses concerning information to a staff member. The FGCA staff members are not able to discuss details of legal investigations with families.

### **Medication and Administering Medication**

- Parents must fill out a permission to administer medication form as directed by the manager.
- Medication will be given to the child in the amount and at the time specified by the care plan/parent.
- We will ensure that a child's medication is not accessible to any child, except for children who requires access to their own medication (e.g. Epi-pens/insulin).

- Our staff will assist/supervise and document the administration of a child's medication.

### **Illness and Communicable Disease**

Do not send your child to OSC if they are sick (e.g. runny nose, cough, fever, stomachache, toothache, infections and earache). If you drop off your child and they are ill we reserve the right to decline care or send them home as we notice the symptoms. If your child becomes ill, immediate arrangements must be made to pick up your child. In the interim, your child will be able to quietly rest in a supervised area. It is the parents' responsibility to inform the onsite manager if their child has contracted a communicable disease (chicken pox, impetigo, etc). This will enable us to alert others as to the health risk. Your child will not be permitted to attend program during this time. Upon returning, the FGCA reserves the right to ask for a physician's note stating health status.

### **Head Lice**

If your child contracts head lice, please inform the onsite manager immediately. As a large childcare provider operating out of a community space, it is important that we control the spread of lice. Therefore, we ask that you do not send your child(ren) back to program until they have been lice free for a minimum of 24hrs and proper treatment has been given. This will also ensure we are able to disinfect all affected areas in a timely manner. For more information please visit Health Link BC at:
