

FAIRFIELD GONZALES COMMUNITY DINNERS

[VOLUNTEERS NEEDED]

Fairfield Gonzales Community Association (FGCA) invites you to celebrate community with us. In 2017, FGCA will host monthly community dinners to bring neighbours together in celebration of the diversity that makes our communities thrive. These all ages dinners feature guest speakers, performers, arts and crafts, dialogue, children's story time, delicious meals and more.

In order to make our Community Dinner series a success, we are looking for a group of committed volunteers who are passionate about bringing people together and love to collaborate!

If you are interested in joining the FGCA Community Dinners volunteer team, email Tahia Ahmed at event@fairfieldcommunity.ca by January 16th, 2017.
