

## In Your Neighbourhood

---

### Love Food Hate Waste

Did you know wasted food costs an average Canadian household over \$1,100 per year and that 47% of food wasted in Canada comes from households? The Love Food Hate Waste program offers tips to help keep food fresh longer, recipes to use up items in your fridge and tips on meal planning. The City of Victoria is a partner in this national program designed to cherish the food we have and reduce our food waste. Learn more [here](#)

### It's Leaf Pick-Up time in your Neighbourhood

Make sure you're ready for City crews when they arrive on your street by placing your leaves on the boulevard in loose piles, secured by chicken wire mesh rings, or in tied, clear, certified\* compostable bags. To prevent flooding, keep gutters, streets, sidewalks and storm drains clear of leaves. Crews will complete leaf pick-up in Fairfield and Gonzales starting December 9 for your second and last pick up of the year. It takes 3 – 4 weeks to complete a neighbourhood.

### Council Meetings

The inaugural meeting and swearing in of the new Council took place on Thursday November 1 at 10 a.m. in Council Chambers. Committee of the Whole meets November 8, 15 and 22 at 9am. Council meets November 8 and 22, beginning at 6:30pm. Residents can attend the meetings or watch them [here](#)

# Spotlight on Beacon Hill Park!

Come join us to celebrate the new multi-use pathway in Beacon Hill Park! Get prepared for walking and wheeling this winter with:

- snacks and hot chocolate
- games
- prizes
