Clover Forcemain Installation

The installation of the pipe along Dallas Road is anticipated to begin January 7, 2019. The contractor, Windley Contracting Ltd., will begin work at each end of the pipe: Niagara Street to Dock Street (Section 1) and Clover Point to Cook Street (Section 7).

What to Expect

- The pipe will be installed in segments.
- A 100m-long trench will be excavated and a 100m-long laydown area will be used to fuse the pipe together.
- The pipe will be lowered into the trench, the trench will be backfilled and the surface restored.
- Noise associated with this work includes excavation machinery and truck back-up beepers, and will not exceed the City of Victoria's noise bylaws.

Work Hours

- Monday to Friday from 7:00 a.m. to 7:00 p.m.
- Saturday from 10:00 a.m. to 7:00 p.m.

Traffic Impacts

- There will be single lane alternating traffic in the work zones of both sections during work hours.
- The section between Niagara and Dock streets will have single lane alternating traffic in the work zone overnight as required.
- Traffic control areas will be delineated by cones and signs and controlled by flaggers.
- A portion of Dallas Road between Niagara and Dock streets will be temporarily closed for one or two days a week during work hours as the pipe is moved into the trench. Detours will be implemented.
- There will be parking impacts on Dallas Road.

Access

- Vehicle access to residents and businesses may be temporarily restricted due to the presence of equipment. Residents will be notified in advance.
- One entrance to Ogden Point will remain available at all times.
- Bus stops may be temporarily impacted on Dallas Road between Niagara and Montreal streets. BC Transit will post notifications at the stop.
- Emergency services will have access at all times.

Thank you for your patience as this work is completed.

Background

The Wastewater Treatment Project includes construction of a pipe which will transport wastewater from the upgraded Clover Point Pump Station to the McLoughlin Point Wastewater Treatment Plant. This pipe, the Clover Forcemain, will run along Dallas Road from Clover Point to Ogden Point, where it will connect to the cross-harbour undersea pipe.

Construction of the Clover Forcemain, including the cycle path, is anticipated to be complete in summer 2020.

About the Wastewater Treatment Project

The Wastewater Treatment Project will provide tertiary treatment for wastewater from the core area municipalities of Victoria, Esquimalt, Saanich, Oak Bay, View Royal, Langford and Colwood, and the Esquimalt and Songhees Nations by the end of 2020.
