

January 18, 2016 (CALUC) Meeting Minutes

- Educational discussion of the role of CALUC under the FGA adopted City of Victoria CALUC Terms of reference
- The city of Victoria required that there be two meetings with proponent over a potential rezoning. The first is an informal conversation with the CALUC members, in which there is an exchange of knowledge. The second is the formal mailout public meeting. Using an up and coming rezoning as an example. The committee discussed ways in which to provide feedback to a proponent during and informal conversation.
- Open discussion on the development and land use issues
- Meeting concluded
