

April 9, 2019

To the Businesses & Residents of Maud Street  
Victoria, BC

Dear Sir/Madam:

**Re: 2019 Local Street Improvements Project – Maud Street Paving**

The City of Victoria has identified Maud Street for paving in the summer of 2019. This project is part of the City of Victoria Local Streets Improvements program.

Project goals are:

- **Resurfacing Asphalt:** Remove and replace asphalt.
- **Accessibility Improvements:** Replace existing sidewalk on south side of Maud Street and install new wheelchair ramps to improve the pedestrian corridor.
- **Storm Water Control:** New catch basins, pavement, and concrete curb and gutter will provide better storm water control.

I am currently working on completing the design drawings for the project. If you have any suggestions, comments or concerns, please contact me by April 26, 2019 to ensure that we have sufficient time to consider your comments in the final design.

Construction will begin in summer of 2019. Another notice will be delivered two weeks prior to construction.

If you have any questions, please contact me at 250.361.0315 or by email at [jsundher@victoria.ca](mailto:jsundher@victoria.ca).

Sincerely,

A handwritten signature in blue ink, appearing to read "JSU".
