UPDATE TO NOTICE OF CONSTRUCTION

**Linden Avenue, May Street to Chapman Street
Sanitary Sewer Construction and Road Construction
April 2019 – July 2019**

Dear Sir / Madam:

In May 2019, the City of Victoria completed a sanitary sewer upgrade. During the project, a significant portion of the road required reconstruction due to current soil conditions. The City will be reconstructing the remainder of the street, as well as the east curb to improve drainage and road grade.

The work is tentatively scheduled to begin on June 3, 2019 and to take approximately one month to complete.

The City will work to minimize any inconveniences during construction. Local access will be maintained when possible, however, parking restrictions and traffic diversions, can be expected at times.

If you have any questions, comments or concerns, regarding this project please contact me at 250-361-0408 or kturpin@victoria.ca

Regards,

A handwritten signature in black ink, appearing to read "Keith Turpin".
