COMMUNITY ASSOCIATION  
the place to connect

Steve Price  
Chair, CRD Board

March 13, 2018

Dear Steve Price and Capital Regional District Board

**RE: Proposed Zoning Variance for Residential Development Adjacent to Gonzales Hill Regional Park**

On behalf of the Board of the Fairfield Gonzales Community Association, we want to reflect community concerns that we have heard expressed about the need to preserve the existing park ecosystem and to **protect the parks environment for the benefit of the public by conserving and/or restoring its ecosystems and biodiversity on a long-term basis.**

While we are unable to make a presentation, in person, to the Board meeting on Wednesday, March 14, 2018, we trust you will accept this letter as a reflection of what we hear in the community.

Kind regards,

Don Monsour  
President
