Dear Mayor Helps,

On Monday July 11 the Board of the Fairfield Gonzales Community Association approved a motion which stated that the Association would like to pursue some reconciliation projects in our neighbourhoods. The extent and nature of these projects are not yet determined. We understand that you will carry this message to The Family and eventually to the Witnesses.

We would be happy to talk with you or others about our interest and look forward to further direction from you and The Family.

Sincerely,

Don Monsour,
President
