

CALUC Meeting Report: Aug 27, 2020

1734 Hollywood Crescent

Proponent: Natalie Saunders

Attendance: Community 30 (approx.); CALUC 4;

Project Summary

Proposed site-specific zoning from single family dwelling into 4-plex, retaining the existing home and constructing an addition extending 14' 9" into the rear yard - integrated with the appearance of the existing home.

Comments & Questions

- Any provision for bike parking? A: Include bike storage in ground floor mechanical room.
- Is the proposed car share for property residents only, or community as a whole? A: one vehicle designated for property residents to share.
