

Facility Renter COVID Safety Plan

Vaccination Policy

As per guidelines from the BC Government, only those renters who are going to be doing exercise or have more than 50 people indoors will require to ask their participants for proof of vaccination.

Mask Wearing and Other Requirements

As per the updated provincial health order all people in BC 12 yrs. and older must wear masks in all indoor public spaces.

- Masks are not required while exercising however are required in “public area.
- Masks are not required once in rental space if hosting a private event.
- Masks are required for everyone if renter is hosting a public event indoors

COVID Safety plan & Memo of Understand

- All renters must submit and have approved a COVID Safety Plan at least 7 days prior to their rental
- All renters must sign the Memo of Understanding at least 7 days prior to their rental. On-going renters must sign and update one when needed
