Dear Mayor and Council,

Re: Crossing guard funding

I write to express the support of the FGCA Board of Directors for the City of Victoria to:

- provide interim funding to support the continuation of the school crossing guard program; and,
- negotiate a sustainable funding model for the program.

This service is vital for the health and safety of our community and we urge the City to support it.

Yours truly,

Anna Phelan, President
On behalf of the Board of Directors
